

Our Mission: In accordance with the National Council for Geocosmic Research we strive to teach, gather to share, and advance the astrological knowledge of the community we serve. YOU are all part of our community!!!

Did you always wanted to know more about astrology? Are you a novice wishing to learn, or are you a practicing astrologer? Join us to be part of our active social networking. Long Island NCGR Chapter meets in person several times a year.

Join during our membership drive. See the Special NCGR benefits listed below. Additional LINCGR benefits for joining our chapter include: a 15 Minute mini reading from one of our participating astrologers, free one-time admittance or zoom chapter meeting. Our in-person meetings offer the opportunity to involve yourself in a live setting. Talk with our speakers, our astrologers, share experience, and ask questions.

NCGR [Geocosmic.org](https://www.geocosmic.org) invites you to Share the Love of Astrology with a very special membership offer❤️
